OAKVILLE

CABERNET SAUVIGNON

OAKVILLE, NAPA VALLEY

People who know Oakville Ranch talk a lot about the soils—bright orange soils with enormous boulders called core stones. They are part of a major landslide that occurred 200,000 years ago. The wines are big. They're a mouthful, but there's also a lushness and a suppleness associated with the soils created through cover crop and organic practices.

100% CABERNET SAUVIGNON
