CABERNET SAUVIGNON

OAKVILLE RANCH VINEYARD, OAKVILLE DISTRICT, NAPA VALLEY

“It takes 120 years to grow a tree for barrels, and 2 years for that tree to cure so it’s ready to make a barrel. My apprenticeship in France took 4 years. No tools were allowed; I had to make my own. When I finished, I was a Master Cooper, one of 34 in the world, and the only one from the United States. At graduation they flew the Mexican flag for me. They had never flown any other flag except for French, Scottish, and Spanish. Since then, I’ve been at it over 20 years; I can do anything.”

—Ramiro Herrera, MASTER COOPER
