MOON MOUNTAIN

CABERNET SAUVIGNON

MOON MOUNTAIN DISTRICT, SONOMA COUNTY

“The really great part about that vineyard location is being at the southern end of the valley, up on a rocky plateau, up on the hill surrounded by some of the more famous vineyards in the area. There’s a pedigree to these vineyards for a reason.

Beautiful red soils all throughout. That type of site is hard to replicate.”

—Garrett Buckland, VITICULTURAL CONSULTANT
